Join the fun by helping us raise awareness about autism! Help us Cheer On the *Rolling For Autism* team! *Rolling For Autism* is a group of college hockey players who are gaining national attention by skating from Florida to Maine to raise peer awareness about autism and funds for collegiate, camp, and recreational scholarships for students with the disorder. As part of **The Autism Network**, a collaborative group of parents and professionals dedicated to providing effective supports and services to people with Autism Spectrum Disorders in the greater seacoast area and beyond will be sponsoring this event. So join the parents, staff and supporters of *The Family Place of Easter Seals* in Raymond and Dover to make this event the best ever for our children with Autism Spectrum Disorders!
